## **IOR SCOTTISH BRANCH INDUSTRY AWARDS 2018**

Once again, your committee invites you to make nominations for our two annual awards, which will be presented at the Scottish Branch Dinner in November.

### **KOOLTECH AWARD**

This award takes the form of a medal that is held by the recipient for one year. The nominee should be the person, who in your opinion has made the most outstanding contribution to the Scottish Refrigeration Industry over the past few years. This may be in the field of academic study, research, manufacturing or contracting.

### **IOR Scottish Branch Apprentice of the Year Award 2018**

The Scottish Branch committee invite nominations for the Apprentice of the Year Award.

The award will be presented at the Scottish Branch Dinner being held on Thursday 15<sup>th</sup> November 2018 and the winner will receive a complimentary ticket.

If you wish to nominate an apprentice, please consider the following notes and complete and return the form below. If you intend to nominate more than one apprentice, please copy the attached forms, returning one for each apprentice.

#### **Notes:**

- The award is open to apprentices employed and working within Scotland. Although it is envisaged that candidates would normally have advanced through 3 years of their apprenticeship and started the 4<sup>th</sup> year by the time of the award, this is not a condition for entry and consideration will be given to apprentices who are at a sufficiently advanced stage of a relevant refrigeration apprenticeship. Age is not a criterion.

#### **Committee Members**

Julie Murray (Chair), Linda McVittie (Secretary), Alistair Fowler (Treasurer),  
Danny Watson (Vice Chair), Calum McKenzie, Norrie Fraser,  
Paul Ryan, Andy Butler, Joe Cameron, Lizzie Dunlop

- Nomination forms must be accompanied by a personal statement (between 100 – 500 words) from the candidate, highlighting his/her training and career in the Refrigeration Industry.
- The prize takes the form of a cash payment of £500.00, a Refrigeration Text Book. The Institute of Refrigeration also offer a year's subscription to the Service Engineers Section.
- Although selection will be made only on the merits of the apprentice, the award will be coupled with the name of the employer.

In order to give the committee time to consider all nominations and interview those short listed, we require the enclosed form and training record to be completed and returned, together with the apprentice's personal statement, to the IOR Scottish Branch Chairperson at the above address **by Friday 5<sup>th</sup> October 2018.**
